

Iowa Fruit and Vegetable Growers Association

Membership Registration 2018

Membership Information

The membership of the IFVGA is comprised of producers, wholesalers, brokers and any interested parties involved in the production, marketing, and promotion of fruit and vegetable crops. The Iowa Fruit & Vegetable Growers Association represents the needs and interests of the fruit and vegetable industry. For the benefit of its members, the IFVGA offers:

- fruit and vegetable industry promotion
- educational seminars
- financial support for horticulture research
- online membership directory
- opportunities for networking with growers
- annual conference and trade show
- newsletter
- promotion at the Iowa State Fair

Iowa Fruit & Vegetable Growers Assn

Iowa Fruit and Vegetable Growers Association

Thank you for taking the time to fill out this short informational survey. By completing this form you will be entered into the searchable database on the homepage of our brand new website www.ifvga.org. This database allows users to search for your farm by either zip code or select fruits and vegetables. This form will also give the association a better understanding of the type of growers we represent so we may better tailor our conferences and workshops. The information you fill out below will appear on the website. If you wish to not have some information below listed, please make a note or leave it blank. Please complete the following registration for your business below.

Name(s) _____ Name(s) _____
